
Action 4: Top-up support for producer organisations in F&V sector

What is the content?

Allowing Member States to top-up with aids the EU support devoted to producer organisations in the fruit and vegetable sector involved in organic production.

What has been done? What was achieved?

Through the reform of the fruit and vegetable market reform this support is now possible.

What is planned? What is on the way?

The Commission proposed specific measures in favour of organic farming in the 2007 proposals for reform of support to the fruit and vegetable sector.

The regime will change from 2008 as the result of integration of fruit and vegetable support in the Single Farm Payment.

Currently EU Member States submit their national strategy programmes, EU Commission examines and cross checks with RD programmes, after approval Member States shall come forward with concrete measures.
